- (a) A respondent or potential respondent may at any time propose in writing an offer of settlement related to anticipated or instituted disciplinary proceedings.
- (b) Any offer of settlement should contain proposed findings and sanctions and be signed by the respondent or potential respondent and submitted to the Market Regulation Department.
- (c) A respondent or potential respondent may offer to settle disciplinary proceedings without admitting or denying the findings contained in the order of the disciplinary proceedings but must accept the jurisdiction of Tradition SEF over it and over the subject matter of the proceedings and consent to the entry of the findings and sanctions imposed.
- (d) If a respondent or potential respondent submits an offer of settlement in accordance with paragraph (a) above, the Market Regulation Department will forward the offer to the Chief Compliance Officer with a recommendation on whether to accept or reject the offer. Any preliminary determination by the Chief Compliance Officer to accept the offer shall be submitted for review by the Disciplinary Panel. If the Disciplinary Panel agrees, then the Chief Compliance Officer shall conditionally accept an offer of settlement, and that the settlement will become final upon the expiration of 20 days after an order of the disciplinary proceedings consistent with the terms of the offer of settlement is served on the respondent.
- (e) If an offer of settlement is accepted by the Disciplinary Panel, the panel accepting the offer must issue a written decision specifying the rule violations it has reason to believe were committed, including the basis or reasons for the panel's conclusions, and any sanction to be imposed, which must include full customer restitution where

customer harm is demonstrated. If an offer of settlement is accepted without the agreement of the Market Regulation Department or Chief Compliance Officer, the decision must adequately support the Hearing Panel's acceptance of the settlement. If applicable, the decision must also include a statement that the respondent has accepted the sanctions imposed without either admitting or denying the rule violations.

- (f) If an offer of settlement is accepted and the related order of disciplinary proceedings becomes final, the respondent's submission of the offer will be deemed to constitute a waiver of the right to notice, opportunity for a hearing and review and appeal under the Rules.
- (g) If the offer of settlement of a respondent or potential respondent is not accepted by agreement between the Chief Compliance Officer and the Disciplinary Panel, fails to become final or is withdrawn by the respondent or potential respondent, the matter will proceed as if the offer had not been made and the offer and all documents relating to it will not become part of the record. Neither a respondent or potential respondent nor the Market Regulation Department may use an unaccepted offer of settlement as an admission or in any other manner at a hearing of, or appeal from, disciplinary proceedings.

#### **RULE 610** Disciplinary Panel

- (a) The Disciplinary Panel shall function as an appointed pool of individuals from which to select Hearing Panels and Appeal Panels. The structure and composition of these panels will comply with SEC Regulation SE Rules, 834 (d) 17 CFR 242.834(d), and Rules 203 and 209 of this Rulebook.
- (b) The Board shall appoint individuals to the Disciplinary Panel at the recommendation of the Chief Compliance Officer to serve for a term of one-year, subject to reappointment by the Board, as participants on the Disciplinary Panel. In appointing individuals to the Disciplinary Panel, the Board must preclude any group or class of participants from dominating or exercising disproportionate influence on the Disciplinary Panel. The term of an individual that has been selected as a member of a Disciplinary Panel will not expire until the related proceedings are completed.
- (c) The Hearing Panel shall conduct hearings in connection with any disciplinary proceedings (except for summary impositions of fines pursuant to Rule 617), to make findings, render decisions, and impose sanctions pursuant to this Chapter 6.
- (d) The chair of any Hearing Panel shall be a Public Individual.
- (e) The Chief Compliance Officer shall select a Hearing Panel prior to the commencement of each disciplinary matter by selecting at least one Public Individual and the remaining individuals from the Disciplinary Panel so that any group or class of industry participants is precluded from dominating or exercising disproportionate influence on the Hearing Panel being formed. Any such Tradition SEF panel shall include sufficient different membership interest so as to ensure fairness and to prevent special treatment or preference for any Person.
- (f) If an individual selected is an Interested Person or if a member of the Hearing Panel later becomes an Interested Person, a replacement for such individual shall be selected by the Chief Compliance Officer.
- (g) Within 10 days of being notified of the appointment of the Hearing Panel, a respondent may seek to disqualify any individual named to the Hearing Panel for the reasons identified in Rule 209 or for any other reasonable grounds, including that such individual has a financial interest in the matter, by serving written notice on the Chief Compliance Officer. By not timely filing a request for disqualification, the respondent will be deemed to have waived any objection to the composition of a Hearing Panel. The Chief Compliance Officer of Tradition SEF will decide the merits of any request for

- disqualification within his or her sole discretion. Any such decision will be final and not subject to appeal.
- (h) No person shall serve on a Hearing Panel unless that person has agreed in writing that he or she will not publish, divulge, or make known in any manner, any facts or information regarding the business of any person or any other information which may come to his attention in his official capacity as a member of the Hearing Panel, except when reporting to the Board or to a committee concerned with such information or to the Market Regulation Department, when requested by the CFTC or other Government Agency or when compelled to testify in any judicial or administrative proceeding.
- (i) All information, records, materials and documents provided to the Disciplinary Panel and all deliberations, testimony, information, records, materials and documents related thereto shall be treated as non-public and confidential and shall not be disclosed, except as necessary to further a SEF investigation or as required by law.

#### **RULE 611** Convening Hearings of Disciplinary Proceedings

- (a) A hearing will be conducted privately and confidentially. Notwithstanding the confidentiality of hearings, the Hearing Panel may appoint an expert to attend any hearing and assist in deliberations if such expert agrees to be subject to an appropriate confidentiality agreement.
- (b) After reasonable notice to each respondent, the Hearing Panel will promptly convene a hearing to conduct the disciplinary proceedings with respect to such respondent. Parties to a disciplinary proceeding include each respondent and the Market Regulation Department.
- (c) The chair of the Hearing Panel may continue, adjourn or otherwise conduct the hearing, as he or she may deem appropriate. The chair of the Hearing Panel will determine all procedural and evidentiary matters, including the admissibility and relevance of any evidence proffered. In determining procedural and evidentiary matters, the chair of the Hearing Panel will not be bound by any evidentiary or procedural rules or law. Once admitted during the hearing, the Hearing Panel may consider, and attach the weight it believes appropriate to, evidence or other materials. The general counsel of Tradition SEF, or its designee, will provide guidance to the chair of the Hearing Panel on the conduct of the hearing.
- (d) Except for procedural and evidentiary matters decided by the chair of the Hearing Panel pursuant to paragraph (c) above and Rule 612, unless each respondent otherwise consents, the entire Hearing Panel must be present during the entire hearing and any related deliberations.

#### RULE 612 Respondent Review of Evidence

- (a) Prior to the commencement of a hearing, each respondent will be given the opportunity to review all books, records, documents, papers, transcripts of testimony and other tangible evidence in the possession or under the control of Tradition SEF that the Market Regulation Department will use to support the allegations and proposed sanctions in the notice of charges or which the chair of the Hearing Panel deems relevant to the disciplinary proceedings. Notwithstanding the foregoing, no respondent will have the right to review, and Tradition SEF will have no obligation to disclose, any information protected by attorney-client privilege.
- (b) If any books, records, documents, papers, transcripts of testimony, or other tangible evidence contain information that could adversely affect the competitive position of the Person providing the information or if such information might compromise other investigations being conducted by the Market Regulation Department, the Market Regulation Department may redact, edit or code such information before furnishing it to the respondent.

- (c) Notwithstanding anything in paragraph (b) above to the contrary, the Market Regulation Department:
  - (1) will not redact, edit or code competitive or investigative information contained in documents in a manner that would impair the respondent's ability to defend against the allegations or proposed sanctions in the notices of charges, and
  - (2) will provide the respondent with access to the information and portions of the documents that the Market Regulation Department intends to rely on to support the allegations or proposed sanctions in the notice of charges.
- (d) For purposes of this Rule 612, information that could adversely affect competitive positions include positions in Swaps currently held, trading strategies employed in establishing or liquidating positions, the identity of any Participant or Authorized Trader or designated Authorized Agent and the personal finances of the Person providing the information.

#### **RULE 613** Conducting Hearings of Disciplinary Proceedings

- (a) At a hearing conducted in connection with any disciplinary proceedings, the Market Regulation Department will present its case supporting the allegations and proposed sanctions in the notice of charges to the Hearing Panel. If a respondent has timely filed an answer to the notice of charges in accordance with Rule 607, the respondent is entitled to attend and participate in the hearing.
- (b) At a hearing conducted in connection with any disciplinary proceedings, the Hearing Panel or the Market Regulation Department and each respondent may:
  - (1) present evidence and facts determined relevant and admissible by the chair of the Hearing Panel;
  - (2) call and examine witnesses; and
  - (3) cross-examine witnesses called by other parties.
- (c) If the respondent fails to file an answer, has filed a general denial, or if any or all of the allegations in the notice of charges are not expressly denied in the respondent's answer, the chair of the Hearing Panel may limit evidence concerning any allegations not expressly denied in determining the sanctions to impose. If a respondent fails to file an answer but appears at the hearing, the respondent may not participate in the hearing (by calling or cross-examining witnesses, testifying in defense, presenting evidence concerning the notice of charges, or otherwise) unless the Hearing Panel determines that the respondent had a compelling reason for failing to timely file an answer. If the Hearing Panel determines that the respondent had a compelling reason for failing to timely file an answer, the Hearing Panel will adjourn the hearing and direct the respondent to promptly file a written answer in accordance with Rule 607.
- (d) Any Person entitled, or required or called upon, to attend a hearing before a Hearing Panel pursuant to paragraph (b)(2) above will be given reasonable notice, confirmed in writing, specifying the date, time and place of the hearing, and the caption of the disciplinary proceedings. All Participants (that are individuals), Authorized Traders, other Supervised Persons, and any designated Authorized Agents that are called as witnesses are required to appear at the hearing and, where applicable, produce evidence. Tradition SEF will make reasonable efforts to secure the presence of all other Persons called as witnesses whose testimony would be relevant.
- (e) If during any disciplinary proceedings the Hearing Panel determines that a reasonable basis exists to believe that the respondent violated or is about to violate a Rule of Tradition SEF or a provision of Applicable Law other than the violations alleged in the notice of charges, the Hearing Panel may consider those apparent violations after

providing the respondent with an opportunity to answer the additional allegations in accordance with Rule 607. In connection with considering apparent violations pursuant to this paragraph (e), the Hearing Panel may request that the Market Regulation Department provide the Hearing Panel with any additional information related to the violations at issue.

- (f) The Hearing Panel may summarily impose sanctions on any Participant, Authorized Trader, other Supervised Person, or any designated Authorized Agent that impedes or delays the progress of a hearing.
- (g) Tradition SEF will arrange for any hearing conducted in connection with disciplinary proceedings to be recorded verbatim, or substantially verbatim, in a manner capable of accurate transcription. If the respondent requests a copy of all or portions of the recording of a hearing, the chair of the Hearing Panel may within his or her sole discretion require the respondent to pay the costs for transcribing the recording of the hearing.
- (h) No interlocutory appeals of rulings of any Hearing Panel or chair of the Hearing Panel are permitted.
- (i) If the respondent has requested a hearing, a copy of the hearing shall be made, at the respondent's expense, and shall become a part of the record of the proceeding. The record shall not be required to be transcribed unless:
  - (1) The transcript is requested by CFTC or SEC staff or the respondent;
  - (2) The decision is appealed pursuant to the rules of Tradition SEF; or
  - (3) The decision is reviewed by the Commission pursuant to Section 8c of the Act or part 9 of the CFTC Regulations or by the SEC pursuant to 17 C.F.R. § 201.442, as applicable.

#### RULE 614 Decision of Hearing Panel

- (a) As promptly as reasonable following a hearing, the Hearing Panel will issue a written order rendering its decision based on the weight of the evidence contained in the record of the disciplinary proceedings. A decision by a majority of the Hearing Panel will constitute the decision of the Hearing Panel.
- (b) Tradition SEF will serve a copy of the order of the disciplinary proceedings on the respondent and the Market Regulation Department. The order will include:
  - (1) the notice of charges or summary of the allegations;
  - (2) the answer, if any, or a summary of the answer;
  - (3) a brief summary of the evidence introduced at the hearing or, where appropriate, incorporation by reference of the Investigation Report;
  - (4) findings of fact and conclusions concerning each allegation, including a complete explanation of the evidentiary and other basis for such findings and conclusions with respect to each allegation;
  - (5) each specific Rule of Tradition SEF and provision of Applicable Law that the respondent is found to have violated;
  - (6) the imposition of sanctions, if any, including the basis for such sanctions and the effective date of each sanction; and,
  - (7) notice of the respondent's right to appeal pursuant to Rule 616.

(c) Unless a timely notice of appeal is filed pursuant to Rule 616, the order of the disciplinary proceedings will become final upon the expiration of 20 days after the order is served on the respondent and provided to the Market Regulation Department.

#### RULE 615 Sanctions

- (a) After notice and opportunity for hearing in accordance with the Rules, Tradition SEF will impose sanctions if any Participant, Authorized Trader, other Supervised Person, Authorized Agent, Customer, or other Person using any of the Participant's User IDs is found to have violated or to have attempted to violate a Rule of Tradition SEF or provision of Applicable Law for which Tradition SEF possesses disciplinary jurisdiction. All sanctions must take into account the respondent's disciplinary history. In the event of demonstrated customer harm, any sanction must also include full customer restitution. Tradition SEF may impose one or more of the following sanctions or remedies, commensurate with the violation committed:
  - (1) censure
  - (2) limitation on Trading Privileges, ability to otherwise access any Platform, and/or other activities, functions or operations;
  - (3) suspension of Trading Privileges and/or ability to otherwise access any Platform;
  - (4) fine (subject to paragraph (b) below);
  - (5) restitution or disgorgement;
  - (6) termination of Trading Privileges and/or ability to otherwise access any Platform; or
  - (7) any other sanction or remedy deemed to be appropriate.
- (b) Tradition SEF may impose a fine of up to \$50,000 for each violation of a Rule of Tradition SEF or a provision of Applicable Law. If a fine or other amount is not paid within 30 days of the date that it becomes payable, then interest will accrue on the sum from the date that it became payable at the quoted prime rate plus three percent. Tradition SEF has sole discretion to select the bank on whose quotations to base the prime rate. Participant will be responsible for paying any fine or other amount imposed on, but not paid by, any of its Authorized Traders, Supervised Persons or Authorized Agents.

# RULE 616 Appeal from Hearing Panel Decision, Summary Impositions of Fines and Other Summary Actions

- (a) A respondent found by the Hearing Panel to have violated (or, in the case of a Participant, whose Authorized Trader, Supervised Person, other Person using its User ID, or Authorized Agent was found to have violated) a Rule of Tradition SEF or a provision of Applicable Law or who is subject to any summary fine imposed pursuant to Rule 617 or any summary action imposed pursuant to Rule 618 may appeal the decision within 20 days of receiving the order of the disciplinary proceedings or the notice of summary action, as the case may be, by filing a notice of appeal with the Chief Compliance Officer. While an appeal is pending, the effect of the order of disciplinary proceedings or the summary action (including any sanctions, remedies or costs imposed thereby) shall be suspended, except as provided in Rule 618 with respect to any denial or limit on Trading Privileges or ability to otherwise access any Platform.
- (b) The notice of appeal must state in writing the grounds for appeal, including the findings of fact, conclusions or sanctions to which the respondent objects. A respondent may appeal the order of disciplinary proceedings or any summary decision on the grounds that:

- (1) the order or decision was arbitrary, capricious, an abuse of discretion, or not in accordance with the Rules:
- (2) the order or decision exceeded the authority or jurisdiction of the Hearing Panel, the Chief Compliance Officer or Tradition SEF;
- (3) the order or decision failed to observe required procedures;
- (4) the order or decision was unsupported by the facts or evidence; or
- (5) the imposed sanctions, remedies or costs are inappropriate or unsupported by the record.
- (c) The Chief Compliance Officer will forward copies of any notice of appeal received by it to all parties to the disciplinary proceeding or summary action, as the case may be, except the appellant. On or before the 20th day after filing a notice of appeal, the appellant must file with the Chief Compliance Officer and serve on the Market Regulation Department a brief supporting the notice of appeal and documents supporting the brief. On or before the 20th day after the date on which the appellant serves supporting brief, the appellee must file and serve its brief in opposition with the Market Regulation Department. On or before the 10th day after the date on which the appellee serves its brief in opposition, the appellant must file and serve a brief in reply with the Market Regulation Department.
- (d) In connection with any appeal, the Market Regulation Department will furnish to the Chief Compliance Officer and to the respondent/appellant a transcript of the hearing, any exhibits introduced at the hearing, the notice of appeal and briefs filed to support and oppose the appeal.
- (e) Within 30 days after the last submission filed pursuant to paragraph (c) above, the Chief Compliance Officer will select an Appeal Panel from the Disciplinary Panel to consider and determine the appeal. The term of an individual that has been selected as a member of an Appeal Panel will not expire until the related proceedings are completed.
- (f) The chair of the Appeal Panel shall be a Public Individual.
- (g) Within 10 days of being notified of the appointment of the Appeal Panel, an appellant may seek to disqualify any individual named to the Appeal Panel for the reasons identified in Rule 209 or for any other reasonable grounds, by serving written notice on the Chief Compliance Officer. By not timely filing a request for disqualification, the appellant will be deemed to have waived any objection to the composition of an Appeal Panel. The Chief Compliance Officer of Tradition SEF will decide the merits of any request for disqualification within his or her sole discretion.
- (h) The Appeal Panel will hold a hearing to allow parties to present oral arguments. Any hearing will be conducted privately and confidentially. Notwithstanding the confidentiality of hearings, the Appeal Panel may appoint an expert to attend any hearing and assist in the deliberations if such individuals agree to be subject to appropriate confidentiality agreements. In determining procedural and evidentiary matters, the Appeal Panel will not be bound by evidentiary or procedural rules or law.
- (i) The Appeal Panel will only consider on appeal the record before the Hearing Panel or, in the case of a summary action, the record considered by the Chief Compliance Officer, the notice of appeal, the briefs filed in support and opposition of the appeal, and any oral arguments of the parties. The Appeal Panel may only consider new evidence when the Appeal Panel determines that good cause exists as to why the evidence was not introduced during the disciplinary proceeding or when imposing the summary action.

- (j) After completing its review, the Appeal Panel may affirm, modify or reverse any order of the disciplinary proceedings or summary action under appeal, in whole or in part, including increasing, decreasing or eliminating any sanction or remedy imposed, imposing any other sanction or remedy authorized by the Rules, remanding the matter to the same or a different Hearing Panel for further disciplinary proceedings, or ordering a new hearing.
- (k) As promptly as reasonably possible following its review, the Appeal Panel will issue a written decision based on the weight of the evidence before the Appeal Panel. The decision of the Appeal Panel will include a statement of findings of fact and conclusions for each finding, sanction, remedy and cost reviewed on appeal, including each specific Rule of Tradition SEF and provision of Applicable Law that the respondent is found to have violated, if any, and the imposition of sanctions, remedies and costs, if any, and the effective date of each sanction, remedy or cost.
- (I) The Appeal Panel's written order will be the final action of Tradition SEF and will not be subject to appeal within Tradition SEF.

#### **RULE 617** Summary Imposition of Fines

- (a) The Chief Compliance Officer may summarily impose a fine against a Participant (on behalf of itself or any of its Authorized Traders, other Supervised Persons, other Persons using any of its User IDs, or Authorized Agents) or Authorized Trader for failing:
  - (1) to make timely payments of fees, cost, charges or fines to Tradition SEF:
  - (2) to make timely and accurate submissions to Tradition SEF of notices, reports or other information required by the Rules; and
  - (3) to keep any books and records required by the Rules.
- (b) The Market Regulation Department, acting on behalf of the Chief Compliance Officer, will give notice of any fine imposed pursuant to this Rule 617 to each Participant, Authorized Trader or Authorized Agent subject thereto. The notice will specify:
  - (1) the violations of the Rules for which the fine is being imposed;
  - (2) the date of the violation for which the fine is being imposed; and,
  - (3) the amount of the fine.

Within 20 days of serving the notice of fine, the Participant, Authorized Trader or Authorized Agent, as the case may be, must either pay or cause the payment of the fine or file notice of an appeal pursuant to Rule 616. Unless timely notice of appeal is filed pursuant to Rule 616, the fine will become final upon the expiration of 20 days after the notice of fine is served on the Participant, Authorized Trader or Authorized Agent, as the case may be.

- (c) Tradition SEF will set the amount of any fines imposed pursuant to this Rule 617, with the maximum fine for each violation not to exceed \$5,000. Summary imposition of fines pursuant to this Rule 617 will not preclude Tradition SEF from bringing any other action against the Participant (or any of its Authorized Traders, other Supervised Persons or Authorized Agent) or Authorized Trader, as the case may be.
- (d) Fines related to SB Swaps shall be in accordance with SEC Rule 819(g).

#### **RULE 618** Summary Suspensions and Other Summary Actions

(a) Notwithstanding anything in the Rules to the contrary, the Chief Compliance Officer may, after consultation with the Regulatory Oversight Committee, if practicable, summarily suspend, revoke, limit, condition, restrict or qualify a Participant's Trading Privileges and/or ability to otherwise access any Platform, and may take other

summary action against any Participant or any of its Authorized Traders, Supervised Persons, or Authorized Agents in accordance with the Rules; provided, however, that the Chief Compliance Officer must reasonably believe that the business, conduct or activities of the Participant or any of its Authorized Traders, Supervised Persons or Authorized Agents in question is not in the best interests of Tradition SEF or the marketplace, including based on any of the following:

- (1) statutory disqualification from registration as provided in Section 8a(2) or (3) of the Act or Section 3(a)(39) of the Exchange Act;
- (2) nonpayment of fees, costs, charges, fines or arbitration awards;or
- (3) the reasonable belief that immediate action is necessary to protect the public or the best interests of Tradition SEF.
- (b) Whenever practicable, Tradition SEF shall provide prior written notice to the party against whom any action in accordance with paragraph (a) shall be taken. If prior notice is not practicable, Tradition SEF will give notice at the earliest possible opportunity to the respondent against whom the action is brought.
- (c) As promptly as reasonably possible following its review, Tradition SEF will issue a written decision to the Participant based on the weight of the evidence presented with respect to the Summary Action. Unless timely notice of appeal is filed pursuant to Rule 616, the summary action will become final upon the expiration of 20 days after the notice of action is served on the respondent.
- (d) At the request of Tradition SEF, a respondent against whom a summary action is brought pursuant to this Rule 618 must provide books and records over which the respondent has access or control and must furnish information to, or appear or testify before, Tradition SEF in connection with the enforcement of any Rule of Tradition SEF.
- (e) A respondent whose Trading Privileges and/or ability to otherwise access any Platform are suspended, revoked, limited, conditioned, restricted or qualified pursuant to this Rule 618 may apply for reinstatement by filing with the Market Regulation Department a written request stating the applicant's reasons for seeking reinstatement. Tradition SEF will not consider a respondent's request for reinstatement if the respondent (i) owes any fines, fees, charges or costs to Tradition SEF, (ii) continues to fail to appear at disciplinary proceedings without good cause or (iii) continues to impede the progress of disciplinary proceedings.
- (f) Within a reasonable period after the filing of a request for reinstatement, the Appeal Panel will conduct a hearing to consider the request. At the hearing for reinstatement, the respondent will present its, his or her case supporting the reinstatement and the Market Regulation Department, acting on behalf of the Chief Compliance Officer may, in its discretion, present its case opposing supporting the reinstatement and each may present evidence and facts and call, examine and cross-examine witnesses. At the hearing for reinstatement, Tradition SEF may require any Participant, Authorized Trader, other Supervised Person, or Authorized Agent to appear as witnesses and produce evidence if the Appeal Panel determines that the evidence is relevant.
- (g) As promptly as reasonably possible after a reinstatement hearing, the Appeal Panel will issue an order reinstating, denying the reinstatement, or placing conditions on the reinstatement of the Trading Privileges and/or ability to otherwise access any Platform of the respondent. The order will include a brief summary of the evidence introduced at the reinstatement hearing; and, if applicable, findings of fact and conclusions not contained in the notice of summary action issued pursuant to Rule 618(b) above. The Appeal Panel's order may not be appealed.

#### RULE 619 Rights and Responsibilities after Suspension or Termination

- (a) When a Participant's or Authorized Trader's Trading Privileges and/or ability to otherwise access a Platform are suspended for a period of 12 months or less, none of its rights (including the right to hold oneself out to the public as a Participant or Authorized Trader, enter Orders into the Platform and receive Participant rates for fees, costs, and charges and deposit margin at Participant levels) will apply during the period of the suspension, except for the right of the Participant or Authorized Trader in question to assert claims against others as provided in the Rules. Any such suspension will not affect the rights of creditors under the Rules or relieve the Participant or Authorized Trader in question of its, his or her obligations under the Rules to perform any Swaps entered into before the suspension, or for any SEF fees, costs, or charges incurred during the suspension. Tradition SEF may discipline a suspended Participant or Authorized Trader under this Chapter 6 for any violation of a Rule of Tradition SEF or provision of Applicable Law committed by the Participant or Authorized Trader before, during or after the suspension.
- (b) When a Participant's or Authorized Trader's Trading Privileges and/or ability to otherwise access a Platform are terminated, all of its related rights will terminate, except for the right of the Participant or Authorized Trader in question to assert claims against others, as provided in the Rules. Any such termination will not affect the rights of creditors under the Rules. A terminated Participant or Authorized Trader may only seek to be reinstated by applying for Trading Privileges pursuant to Rule 302.
- (c) Tradition SEF will not consider the application of a terminated Participant or Authorized Trader if such Participant or Authorized Trader, as the case may be, continues to fail to appear at disciplinary proceedings without good cause or continues to impede the progress of disciplinary proceedings.
- (d) A suspended or terminated Participant or Authorized Trader remains subject to the Rules and the jurisdiction of Tradition SEF for acts and omissions prior to the suspension of termination, and must cooperate in any inquiry, investigation, disciplinary proceeding, appeal of disciplinary proceedings, summary suspension or other summary action as if the suspended or terminated Participant or Authorized Trader still had Trading Privileges or ability to otherwise access a Platform.
- (e) In the event of the suspension or revocation of a Participant's Trading Privileges and/or ability to otherwise access a Platform, Tradition SEF shall seek to facilitate the transfer of any Customer accounts held by such Participant to other Participants with Trading Privileges and/or ability to otherwise access the Platform.

#### RULE 620 Notice to the Respondent, the Regulatory Services Provider and the Public

Tradition SEF will provide written notice of disciplinary proceedings to the parties and the Regulatory Services Provider consistent with applicable Federal Regulation. Whenever Tradition SEF suspends, expels, fines or otherwise disciplines, or denies any Person access to Tradition SEF, Tradition SEF will make the public disclosures required by Federal Regulation including prompt, within 30 days, notice to SEC of such disciplinary findings.

- (a) Notice of Disciplinary Action or Access Denial Action
  - (1) Whenever a Tradition SEF decision pursuant to which a disciplinary action or access denial action is to be imposed has become final, Traditions SEF shall, within thirty (30) days thereafter, provide written notice of such action to the Person against whom the action was taken and to the Commission via NFA's BASIC database. Such notice shall include, but not be limited to, the following information:
    - (i) The name of the Person against whom the disciplinary action or access denial action was taken;

- (ii) A statement of the reasons for the disciplinary action or access denial action, together with a listing of any Rules which the Person who was the subject of the disciplinary action or access denial action is charged with having violated or which otherwise serve as the basis of Tradition SEF's action;
- (iii) A statement of the conclusions and findings made by Tradition SEF with regard to each Rule violation charged or, in the event of settlement, a statement specifying those rule violations which Tradition SEF has reason to believe were committed;
- (iv) The terms of the disciplinary action or access denial action;
- (v) The date on which the action was taken and the date Tradition SEF intends to make the disciplinary or access denial action effective; and
- (vi) A statement informing the party subject to the disciplinary action or access denial action of the availability of (A) Commission review of Tradition Commodity SEF's action pursuant to section 8c of the Act and Part 9 of CFTC Regulations; or (ii) SEC review of Tradition SBSEF's action pursuant to 17 C.F.R. § 201.442, as applicable.
- (b) Effective Date of Disciplinary Action or Access Denial Action
  - (1) Any disciplinary or access denial action taken by Tradition SEF will not become effective until at least fifteen (15) days after the written notice described in Rule 620(a) is delivered to the Person disciplined or denied access; provided, however, that Tradition SEF may cause a disciplinary action to become effective prior to that time in accordance with Rule 618 or if:
    - Tradition SEF reasonably believes, and so states in its written decision, that immediate action is necessary to protect the best interests of the marketplace;
    - (ii) Tradition SEF determines, and so states in its written decision, that the actions of a person who is within Tradition SEF's jurisdiction have impeded the progress of a disciplinary hearing;
    - (iii) Tradition SEF determines that a Person has violated Tradition SEF's rules relating to decorum or attire, or timely submission of accurate records required for clearing or verifying each day's transactions or other similar activities; or
    - (iv) The Person against whom the action is taken has consented to the penalty to be imposed and to the timing of its effectiveness.
  - (2) If Tradition SEF determines in accordance with paragraph (b)(1) of this Rule that a disciplinary action will become effective prior to the expiration of fifteen (15) days after written notice thereof, it shall notify the Person disciplined in writing, either personally or other means of written telecommunication to the Person's last known address, stating the reasons for the determination. Tradition SEF shall also by means of written telecommunication immediately notify the Commission (Attention: Contracts Markets Section, Division of Market Oversight). Where notice is delivered by means of written telecommunication, the time within which the Person so notified may file a petition for stay pursuant to CFTC Regulation 9.24(a)(2) will be increased by one day.
  - (3) (Upon any final disciplinary action in which Tradition SBSEF finds that one of its Participant has committed a rule violation that involved a transaction for a Customer, whether executed or not, and that resulted in financial harm to the Customer:

Tradition SBSEF shall promptly provide written notice of the disciplinary action to the Participant; and

The member that received such notice is required to promptly provide written notice of the disciplinary action to the Customer, as disclosed on the Participant's books and records including the principal facts of the disciplinary action and a statement that Tradition SBSEF has found that the Participant has committed a rule violation that involved a transaction for the Customer, whether executed or not, and that resulted in financial harm to the Customer.

# CHAPTER 7 CLEARED SWAPS, UNCLEARED SWAPS AND PACKAGE TRANSACTIONS

#### RULE 701 Cleared Swaps

Subject to Rule 703, a Participant or Customer shall be eligible to Trade Cleared Swaps on the SEF only if the Participant or Customer (or their respective Affiliate) is a Clearing Firm of the appropriate Derivatives Clearing Organization or Clearing Agency where the Cleared Swap is designated for clearing or has a clearing account with a Clearing Firm who has undertaken to provide a guarantee to the Derivatives Clearing Organization or Clearing Agency to clear such Cleared Swap at the Derivatives Clearing Organization or Clearing Agency, following the Clearing Firm's acceptance of such Cleared Swap for clearing, within the limits set by the Clearing Firm, in each case executed on a Platform or pursuant to the Rules. A Clearing Firm may not refuse to accept a Cleared Swap for clearing that does not violate the limits set by the Clearing Firm. Participants and Customers are prohibited from requiring a Breakage Agreement from any other Participant or Customer as a condition of trading with that other Participant or Customer, including with respect to Package Transactions.

#### RULE 702 Clearing Services

- (a) The clearing services provided by a Derivatives Clearing Organization or Clearing Agency with respect to any Cleared Swap, and the rights and obligations of purchasers and sellers under Cleared Swaps (including rights and obligations in respect of clearing and settlement, variation payments and performance at maturity), will be governed by the rules of such Derivatives Clearing Organization or Clearing Agency.
- (b) Tradition SEF shall provide facilities to route each Cleared Swap to the Derivatives Clearing Organization or Clearing Agency identified by the parties to such Cleared Swap, but Tradition SEF shall be under no obligation to ensure that such Cleared Swap is accepted for clearing.

#### **RULE 703** Cleared Swaps, Rejections and Errors

- (a) Cleared Swaps Rejected by a Clearing House.
  - (1) If Tradition SEF receives a rejection notice from a Clearing House that a Cleared Swap failed to clear, then the Cleared Swap shall be void ab initio and Tradition SEF shall notify the relevant Swap Data Repository that the Cleared Swap was canceled.
  - (2) Additionally, and only with respect to a Cleared Commodity Swap that is a component of a Package Transaction, if such Cleared Swap is rejected by a Derivatives Clearing Organization because of the sequencing of submissions to the Derivatives Clearing Organization of the components of the Package, then the rejected Cleared Commodity Swap component of the Package shall be void ab initio. In such case a new Cleared Commodity Swap component of the Package, with terms and conditions that match the terms of the original Cleared Commodity Swap, other than the time of execution, may be submitted for clearing without being executed in the Order Book, by RFQ or as a Block Trade provided:
    - (i) this procedure may not be used for Cleared Commodity Swaps rejected pursuant to clause (a) above;
    - (ii) both Clearing Firms agree to submit the new Cleared Commodity Swap;
    - (iii) each Clearing Firm obtains the consent of its Customer, if any to submit the new Cleared Commodity Swap, and such consent must be sought on a case-by-case basis after the rejection of the original Cleared Commodity Swap;

- (iv) neither Clearing Firm may require a Customer to agree in advance to consent to the submission of a new Cleared Commodity Swap:
- (v) The new Cleared Commodity Swap must be submitted for clearing as quickly as technologically practicable after receipt by Tradition Commodity SEF or the Clearing Firm of a notice of rejection from clearing, but in any event, no later than 30 minutes (or 60 minutes in the case of the rejection of a Cleared Commodity Swap that is a component of a Package and such Cleared Swap was rejected because of the sequencing of submissions to the Derivatives Clearing Organization) from the issuance of the notice of rejection by the Derivatives Clearing Organization to the Clearing Firms or Tradition Commodity SEF;
- (vi) Both the original Commodity Swap and the new Cleared Commodity Swap are subject to pre-execution credit checks that comply with CFTC Regulation 1.73 and/or CFTC Regulation 23.609 and the CFTC Staff Guidance on Swaps Straight-Through Processing issued on September 26, 2013 (the "CFTC Staff Guidance");
- (vii) both the original Commodity Swap and the new Cleared Commodity Swap are processed in accordance with the time frames set forth in CFTC Regulations 1.74, 23.610, 39.12(b)(7) and the CFTC Staff Guidance;
- (viii) Tradition Commodity SEF reports the Cleared Swap Transaction data to the relevant SDR as soon as technologically practicable after the original Cleared Commodity Swap is rejected by the Derivatives Clearing Organization, and the parties to the Cleared Commodity Swap provide Tradition Commodity SEF with all of the information necessary for it to report the new Cleared Swap data and the cancellation of the original Cleared Commodity Swap; and
- (ix) If the new Commodity Swap is also rejected for clearing, it is void ab initio and the parties may not submit another new Cleared Commodity Swap again without executing such Cleared Commodity Swap in the Order Book, by RFQ or as a Block Trade.
- (3) For the avoidance of doubt, a Cleared Commodity Swap that is submitted for clearing and is the subject of a rejection notice from the applicable Derivatives Clearing Organization or Clearing Firm pursuant to this Rule will nonetheless otherwise be within the meaning of SEF Activity for purposes of the Rules.
- (4) If one or more Cleared Commodity Swap components of a Package Transaction is rejected for clearing pursuant to clauses (a) or (b) above and is void ab initio, then the non-Swap component(s) of such Package shall also be deemed void ab initio.
- (b) Errors on Trades Intended to Be Cleared or That Have Been Accepted for Clearing.
  - (1) In reliance upon determinations made by Tradition SEF pursuant to Tradition SEF Error Policies set forth in Rules 538 and 539:
    - (i) If Tradition SEF receives a rejection notice from a Clearing House because a swap intended to be cleared failed to clear due to an operational or clerical error or omission made by Tradition SEF, one of the counterparties or an agent of one of the counterparties that causes a Trade to be rejected from clearing at or near the time of a Transaction, then Tradition SEF shall enter into on behalf of the counterparties, or permit the original or intended counterparties to enter into, a new pre-arranged Transaction that corrects the errors in the original Transaction and reflects the terms to which the parties

mutually assented to without that Trade having been executed pursuant to the methods set forth in Commission Regulations 37.9(a)(2) and 38.500 (with respect to Commodity Swaps) or Rule 815 of Regulation SE (with respect to SB Swaps) under the following conditions:

New transactions entered into to correct errors as a result of (i) above must be executed on Tradition SEF and submitted for clearing as quickly as technologically practicable after receipt of notice of the rejection by the Clearing House to Tradition SEF, but, in any event, no later than one hour from the issuance of the notice.

(ii) Where a clerical or operational error or omission made by Tradition SEF, counterparty, or an agent of the counterparty is not identified until after the Trade has been cleared, Tradition SEF shall enter into on behalf of the counterparties, or permit the original or intended counterparties to enter into, a new pre-arranged Transaction that corrects the errors in the original Transaction and reflects the terms to which the parties mutually assented to without that Trade having been executed pursuant to the methods set forth in Commission Regulations 37.9(a)(2) and 38.500 (with respect to Commodity Swaps) or Rule 815 of Regulation SE (with respect to SB Swaps) under the following conditions:

New transactions entered into to correct errors as a result of (ii) above, the Trade to offset the erroneous swaps carried on the Clearing House's books and the new Transaction that corrects the errors in the original Transaction must be executed and submitted for clearing no later than three days after the erroneous Cleared Swap was executed.

- (2) If a new Transaction that corrects the errors in an original Transaction is also rejected for clearing, the new Transaction is void ab initio and the parties will not be provided a second opportunity to submit a new Trade.
- (3) If Tradition SEF is able to determine how to correct an error, it may execute the new trades without obtaining consent from the counterparties.
- (4) If Tradition SEF is unable to determine how to correct an error. It may either not fix the error, or it may seek guidance on how to address the error from the counterparties. Any such guidance may not be implemented without consent from both counterparties.

#### RULE 704 Credit Checks - Pre-Execution Credit Check

- (a) Prior to entering any Order for a Cleared Swap, each Participant that is acting for its own account shall ensure that it has sufficient credit with the Clearing Firm to which any resulting Swap will be submitted for clearing at the relevant Derivatives Clearing Organization. In the event that there is insufficient credit, the Participant may not enter such Order.
- (b) Prior to entering or permitting the entry of any Order for a Customer for a Cleared Swap, each Participant shall ensure that its Customer has sufficient credit with the Customer's Clearing Firm to which any resulting Swap will be submitted for clearing at the relevant Derivatives Clearing Organization. In the event that there is insufficient credit, the Participant may not enter or permit the entry of such Order.
- (c) Tradition SEF will take steps to facilitate pre-execution credit checks by Clearing Firms and will issue notices to Clearing Firms and Participants relating thereto. Consistent with and to the extent required by Federal Regulation, including CFTC Regulation 1.73, each Clearing Firm that is a Participant shall establish risk-based limits for its

proprietary account. Each Clearing Firm, whether or not a Participant, shall establish risk-based limits for each Customer account. Except to the extent otherwise permitted by Federal Regulation:
